📍 Kerala, India

SUMMARY

Motivated BCA graduate seeking entry-level software development roles or internships. Specialized in MERN Stack with experience in building full-stack web applications using React.js, Node.js, Express.js, and MongoDB. Completed an academic project using Python Django, gaining strong understanding of backend development, databases, and RESTful architecture. Proficient in C, C++, Python, HTML, CSS, and Dart. Eager to apply technical skills and grow in a professional development environment.

EDUCATION

Bachelor of Computer Applications (BCA)
Kannur University
2022 - 2025 | Kannur, Kerala, India
Percentage : 79.22

Higher Secondary (Science)
Govt HSS Ramanthali
2020 - 2022 | Kannur, Kerala , India
Percentage : 92

SKILLS

Programming Languages: C, C++, Python

Web Technologies: HTML, CSS, JavaScript

Backend Technologies: Django, REST APIs

Mobile App Development: Flutter, Dart

Databases: SQLite, MongoDB

PROJECTS

CERTIFY - Online Certificate Verification System 🔗
HTML, JavaScript, MERN
Built a centralized web-based system that enables universities to manage certificates and companies to verify certificate authenticity using unique certificate numbers, effectively reducing certificate fraud and ensuring secure recruitment.

ParkEasy - Online Vehicle Parking Management System 🔗
HTML, CSS, Flutter, Dart, Python, Django, SQLite
Built a mobile-first parking management application using Flutter (frontend) integrated with a Django REST backend to handle slot availability, booking, payments, and user notifications, ensuring a seamless and scalable parking solution.

Personal Portfolio Website 🔗
HTML, CSS , JavaScript , React.js
Built a modern, responsive portfolio website to highlight projects, skills, and contact information, focusing on clean UI, accessibility, and performance across devices.

Coffee Website(UI Practice Project) 🔗
HTML, CSS, JavaScript
Designed a responsive coffee shop website using HTML and CSS, focusing on layout design, responsiveness, and modern UI styling as part of hands-on frontend practice.

CERTIFICATES

- Project Completion Certificate - ParkEasy , Riss Technologies 🔗

- HTML & CSS Workshop - Urbanhub Innovations 🔗
